

DID YOU KNOW?

There are over
25 different cultures
represented within
DCTC's student body!

In MSLA we believe it is important and invaluable to recognize, not only our differences, but also to embrace and learn from them. MSLA gives students of all cultures the opportunity to learn, belong, and grow with an enriched awareness of the world of people around them.

NOW THAT'S A LOT OF CULTURE!

We would love
to have you
join us!

If you would like to learn more about other cultures and have a desire to be part of a bigger picture, then consider joining the Multicultural Student Leadership Association (MSLA) at DCTC! This is a one-of-a-kind student association with so much to offer!
